INTERODUCTION

Welcome to the International Bible Institute (IBI), Addis Ababa, Ethiopia. IBI is an Institute to equip and train Christian believers with the Word of God. The Institute will serve the Whole body of Christ. Jesus Christ is still calling men and women today, enlisting them into service. Many are called but few make a choice. IBI is for those who made their choice and want to follow the call of God upon their lives. Each born again believer has a call to fulfill which may or may not be in fulltime ministry. IBI wants to help believers know the will of God for their lives and help them find their place in the body of Christ.

Jesus Chose His disciples but before they were sent forth, He equipped them with power from on high. The Holy Spirit and His gifts, the Word of God and the name of Jesus are our God given weapons to destroy the works of Satan. At IBI people will learn about these weapons and how to use them.

When Jesus ascended on high He gave gifts to men. These gifts are the supernatural ministry gifts. He imparts to the lives of those whom He has called “for the perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ” (Eph.4:12). At the International Bible Institute (IBI), we focus on the importance of God’s word- not men’s ideas and philosophies, with emphasis upon the word, the Holy Spirit, the anointing, and prayer.

The great commission to go into the entire world and preach the gospel is still valid. God wants to choose many of them and equip them in order to send them to the world. The great commission is for all of us. We are called to go into our world and to be His witnesses, within our families, our work place, in school, where ever He has placed us. Not everyone is called to be a missionary to Africa, but every Christian has a testimony that someone needs to hear. We are messengers and have been given the message the world is waiting for. “Whom shall I send, and who will go for us?” was God’s question to Isaiah and His question to for all us.

Therefore, this will be a bible school with the fire of God almighty fully resident in it. We believe in the power of God that fully equips the student for the purpose of par time and full time ministry for the Lord Jesus Christ and the Kingdom of God.

EXECUTIVE SUMMARY

Biblical studies of high quality for all humanity are the core of revolution in human development. On the other hand, the denial of access to quality biblical studies endangers the success and sustainability of efforts in all aspects of human development (Spiritual, social and economic). Absence of biblical studies on the whole council of God in an acceptable

quality remains a serious problem in most parts of our nation. It is in response to this need that International Bible Institute will be established with the purpose of Producing competent ethical and servant leaders.

The institute works without making any distinction between people of different ethnic, social, economic and political backgrounds. It aspires to serve the community as a whole in equipping servants with knowledge in various contexts.

It is with this belief in mind that the Priesthood Ministries International has come up with the idea of opening a bible school beginning from Certificate program level. IRPC wants its bible school to be committed to providing the best possible education and reading access for the students within the context of a strong commitment to serve the community.

IRPC envisions a nation with unlimited access to quality biblical studies for all people. So, it has committed itself to contributing its part by offering a bible school of the highest quality within the context of Christian belief and practice and to the economic situation of an area. The Ministry has decided to do so to enable the body of Christ to realize their potentials and to escape from poverty and degradation that comes because of lack of knowledge.

IRPC believes God will provide its vision, and expect all concerned individuals, groups, churches, government and non-government organs, community leaders, etc. to stand on its side to realize the initiative it has taken.

The Institute will be Bible focused, Christ centered, and Church based.

GENERAL INFORMATION

Foreword

There is an explosive increase in knowledge, and people are eager to learn. International Bible Institute has responded to this need by developing its own instructional tools in print formats that take the school to the student. By utilizing the tools of contemporary educational technology, International Bible Institute is expanding the resources of the church. International Bible Institute's courses are applicable for distance-learning instruction, school classrooms, team trainings, learning groups, and individual study. Qualified writers wrote and developed the course materials that are then distributed around the world in different languages. This contributes to fulfilling International Bible Institute's motto: Impacting eternity by winning the lost and training the found—everywhere!

Description of the IBI

International Bible Institute (IBI) is an Institution of higher learning where the main goal of the academic curriculum is the study of the Bible. Emphasis is given to the proper interpretation of the Bible and application of the Biblical message. All courses, including those in the general education and general elective divisions, consider the Bible as a supplemental textbook.

Distinctive Character of IBI

IBI is a Pentecostal Institute in doctrine and practice. Besides its Int'l standard distinction, the instructors at IBI are men and women who have done and experienced what they teach. Their exploits for God will challenge the faith of the students for them to believe that they can do the same. Therefore, IBI emphasizes a practical ministry to serve the local church and the world at large. We focus on the importance of God's Word—not men's ideas. Our purpose is to train people how to apply the principles of God's Word in the ministry. Our training impacts both one's values and behavior. We equip the minister to be more effective in his/her calling. Training in this case describes the educational process of blending the theoretical and practical. It is more than lecturing and memorizing.

IBI-DOCTRINAL STATEMENT

The following doctrinal statements reflect the firm belief and stand of the International Bible Institute (IBI). The statements are based on the doctrinal truths of the Bible.

1. **GOD:** We believe that there is one true God, eternally existent in three persons: God the father, God the Son, and God the Holy Spirit; the creator of Heaven and earth and the Redeemer of mankind.
2. **THE WORD OF GOD:** We believe that the Bible is the inspired, infallible and authoritative word of God, the source and sustainer of all things, and the foundation in which we place our faith and trust.
3. **CONDITION OF MAN:** We believe that people were created good and upright but by voluntary transgression fell and thereby incurred the curse of God and separation from God with the outcome of spiritual and physical death. Therefore, we believe in the sinful condition of man, separating us from God, and for mankind's need for salvation.
4. **SALVATION THROUGH JESUS CHRIST:** We believe God's love for mankind has been revealed in His Son, Jesus Christ. Through the shedding of His blood on the cross at Calvary, He was made to be the perfect sacrifice for human sin. He has become our substitute, and has made a way for mankind to have access to the father once again. We believe man is saved from sin and accepted by God not by works, but by believing and confessing Jesus Christ as savior and Lord.
5. **JESUS CHRIST THE LORD:** We believe in the virgin birth of Jesus, the mediator between God and men, the man Christ Jesus; His substitutionary work on the cross, His bodily resurrection from the dead, His Lordship, His exaltation to the right hand of God and in His personal future return to the earth to rule in power and glory.
6. **THE HOLY SPIRIT:** We believe in the baptism of the Holy Spirit as a gift given by Jesus to the believer subsequent to salvation. The Holy Spirit helps us to know God better, and empowers the believer for purposeful living and effective ministry.
7. **THE CHURCH:** We believe in the unity of the church of Jesus Christ, is the body of which He is the head. We believe the fellowship of believers, the church of Jesus Christ. We believe in the mandate of the church to be the agent through which God's kingdom purposes are carried out in the earth. We believe in its order and structure as God intended for it to be.
8. **DIVINE CALL:** We believe in the priesthood call of all born again believers, We believe in a divinely called and spiritually ordained ministry of servant leaders which includes apostles,

prophets, Evangelists, pastors and teachers to edify and equip the believers for service in the ordinances of the church including water baptism and Holy Communion.

9. THE BLESSING OF THE LORD: We believe that God's Purpose for mankind is for them to be blessed and to reign in life-spirit, soul, and body; to be fruitful and increase, to multiply and have dominion in the earth. We believe in divine healing. We believe God desires for His people to be agents through which the kingdom of God is established on earth.

10. THE SECOND COMING: We believe in the blessed hope of the literal return of Christ to the earth in glory, at a time known only to the father. We believe there will be a resurrection of both the living and the dead. We believe in the final judgment seat of Christ, where those who are not in Christ will be eternally separated from God, and those, who are in Christ will rule and reign forever with Him.
